

# St. Martin of Tours Episcopal Church

## We Need Your SUPPORT

### **COMMUNITY SUPPORT – Just some of the people we help.**

- Every week we help feed the hungry with our free “walking Lunches” (A meal in a bag)
- Every day we provide clothes to those who need them.
- We provide coats when the weather turns cold.
- We have Halloween Costumes for the community.
- We listen, and we pray.

### **CHURCH ORGAN RESTORATION**

- We have a Historic Tracker Pipe Organ.
- It was built in 1916 and it needs some major repairs.
- Please join us in the preservation of this treasure.

### **GENERAL CHURCH FUNDRAISING**

- We always have more request for assistance than funds.
- Please give your time or money to help us help the community.

### **CONSTRUCTION OR RENOVATIONS**

- We were built in 1899. There is always a restoration project waiting for funds.
- We have a new bell tower ceiling.
- We have new bathrooms.
- We have a almost finished new kitchen.
- We have new floors in the Fellowship Hall. WE have done so much, but there is more .
